## NEIGHBORHOOD NIGHTS

Wildflower Bread Company would like to help raise funds for your school's band, church or other non-profit organization through our Neighborhood Nights program. We host, you promote and 15% of the proceeds from event attendees will be donated back to your group. Here's what to do:

- Send an email to: **neighborhoodnights@wildflowerbread.com** with details of your event along with any questions.
- Your organization will be notified within 72 hours if we can accommodate your Neighborhood Night request.
- A Neighborhood Nights Fundraiser can usually be scheduled Monday through Thursday evenings from 5 to 8 pm, subject to our event schedule availability.
- A flyer template will be sent to you for distribution and promotional use.
- Promote the event to your membership, friends and family. Encourage them to dine at the Wildflower, present their promotional flyer and 15% of their purchase will be donated to your group.
- Bring people from your organization that we can put to work. We will teach them to run food and bus tables for tips. The better you are, the more tips you make!

## DOUGH ON THE GO™

Support education. We donate 10% of every \$2 baguette all year long and \$1 during Wildflower Cares.

- Communities in Schools of Arizona is part of the nation's largest dropout prevention organization. Their mission is to champion the connection of needed community resources with schools to help young people successfully learn, stay in school and prepare for life.
- Every nine seconds, a student drops out of school. For the 2009/2010 school year, Communities in Schools achieved the following with students in their programs: 98% stayed in school, 88% were promoted to the next grade and 87% graduated.
- This is an ongoing initiative throughout the year that Wildflower started in 2008, with total giving in excess of \$17,000.
